 - Bob reported the approaches for Kawlewski, Moe and Boe are completed and inspected. The deposit checks have been returned to them.
 - Curt reported that tree removal is completed except a small area that has an active wasp nest. He will return to complete that trimming when weather is colder and the wasps will not swarm.
 - Curt will cut the pavement and make repairs on 490th in the next week or two.
 - The shouldering is not completed yet on the newly paved Mosquito Trail. Curt will complete that in a couple weeks when the ground is not so wet.
 - A letter will be sent to all property owners on Mosquito Trail to attend the next board meeting on November 3rd to discuss the final costs and assessments. The final number did come in higher due to the additional footage in the cul-de-sac.
