 - Bob reported that Jeff Brown called him and requested to trap beavers for bounty in Elvis Creek in the culvert under County 53. The board denied his request for bounty from Pine Lake Township on beavers in this culvert since it is a County Road and no eminent damage is being done. It was suggested that he call the County and inquire on beaver bounty.
 - Wayne Lehman made a request to block a road off by the old Von Ruden farm. The property owners told Wayne there is an issue with persons trespassing and partying on the property as there are old buildings on the property and no one else living on that road. At this time the board is not in favor of blocking the road off.
 - Mike Kaminski requested a copy or to be able to view all township minutes from 1968 to present. The board will accommodate this request as timely as possible. Bob will make available to Mike the Minute books at the townhall and Sue will email to Mike the minutes since she has been clerk as all minutes during that time frame are in electronic form.
